

Pinwheel Pathway Pledge

Prevent Child Abuse America introduced the pinwheel as the national symbol for child abuse prevention. By its very nature, the pinwheel connotes playfulness, joy, and childhood. It is a physical reminder of the great childhoods we want for all children.

Safe Harbor's mission is to provide a lifeline to victims of child abuse and neglect. At our new building we hope to have handmade glass pinwheels line the pathway from the parking lot to the entrance of the building, helping children know they are headed on a path of hope and healing.

We need your help to create this pinwheel pathway. Will you sponsor a pinwheel to **Light the Way to hope and healing for the children in our community?**
